Staff Accountant

How long have you been part of the team?

I have been at LMHS for 3 years, 2 years as a staff accountant and 1 as an intern.

Use 3 words to describe working at LMHS:

Motivating, Engaging, and Rewarding.

What is your favorite part of your job?

Favorite part of my job is the variety of work, constantly learning something new, and great environment for professional growth/development. Also, being able to help out directly with someone personally rather than just dealing with large corporations and making connections with clients.

Fun fact:

I played piano for about 15 years!
