

LEO KOPP

TEAM MEMBER
SPOTLIGHT

Senior Staff Accountant

Use 3 words to describe working at LMHS: *Fulfilling, educational, meaningful.*

What is your favorite part of your job?
Working with incredibly smart and knowledgeable people in a variety of ways in a complex industry.

Do you have a motto or favorite quote?
I've always tried to keep a mindset that every day can be used to work towards an ultimate goal, whether that's completing a current project or a bigger long term goal. Time goes by too fast, and you have to make the best of it everyday!

Fun fact:
My hobbies include playing and listening (constantly) to music, and trying to fit in golf whenever I can.

Anything else you would like to share?
I have a wonderful, growing family with my wife Caitlin, our smart, wild 22 month old girl, Samantha, and another on the way in winter, 2021. Enjoying every minute!
